Forecast for Friday 17 Jun 2022

Weather: Dry for much of morning with early sunshine then becoming cloudy. A band of rain will move southwards across the National Park early in the afternoon. The rain fizzling out early in the evening with some sunshine to end the day.

Chance of cloud-free hill tops above 800m: 80% then chances decreasing to 30% in the afternoon, improving 80% during evening.

Low cloud and visibility: Mostly good visibility in the morning with clouds becoming extensive, initially above many of the tops but lowering 600 to 700m by early afternoon. Becoming misty as rain moves in and turning poor in more persistent rain with lowering cloud bases. Good visibility returning in the evening with clouds lifting and breaking up.
